

# CryoSat-2/SMOS level 4 product v204 replaces v203

The algorithm of the gridded CryoSat-2/SMOS sea ice thickness data (Level-4) has been updated. The previous version v203 is now replaced by v204.

A full documentation of CryoSat-2/SMOS level 4 product version v204 can be found in the [CryoSat-SMOS Merged Sea Ice Thickness](#) section.
